House Committee on Appropriations
H-307
U.S. Capitol
Washington, DC, 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I request \$9,184,480, for a community project funding request for the City of Rexburg Wastewater System Improvements. The intended recipient is the City of Rexburg, Idaho located at 35 N 1st E, Rexburg, ID 83440. The funding would be used for improvements to Rexburg's wastewater system. The project would be a valuable use of taxpayer funds because the project will allow the continued collection and treatment of wastewater for this regionalized wastewater collection and treatment system which serves the Cities of Rexburg, Sugar City, and Teton which are located in Madison and Fremont Counties. Most of the population of Rexburg resides in areas of persistent poverty according to the US 2020 Census, which emphasizes the City's need for federal assistance. Madison County, Idaho has the lowest per capita income of all counties in the State of Idaho.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, reading "Mike Simpson". To the right of the signature, the letters "M.C." are printed in a small font.
